

# Continuous Glucose Monitor (CGM) Log

*Perfect for: FreeStyle Libre or Dexcom users*

This CGM Log is designed for users of the FreeStyle Libre, Dexcom, and other continuous glucose monitors.

Use this 90-day log to record:

- Sensor application dates
- Calibrations (if required)
- Device performance or troubleshooting issues

Tip: Keep a copy of this log with your diabetes supplies, especially when traveling or reporting to your healthcare team.

Date	Sensor #	Location Applied	Start Time	End Time	Calibrated? (Y/N)	Issues/Notes
